I know the old saying goes “March comes in like a lion and goes out like a lamb”, but I am really hoping that we got our “lion” portion all out of our system last week with the crazy weather we had then! I am totally ready for the “lamb” part and some nice, warmer weather! I think the children are too. (Although they really enjoyed the snow!) It seems unbelievable that we only have 3 months left of this school year. It is going by so quickly! And plans are already being made for the summer and the next school year. Please see the details in the rest of this newsletter.

Pizza Day– Pizza Day is on Friday, March 1. The children really enjoy this special once-a-month treat. Just a reminder that children that stay all day do not need to bring a lunch.

Registration for next year is open!- We are excited with the registrations that continue to come in for the next school year. There are still spots available if you haven’t registered, or would like to recommend us to your friends and neighbors. Remember that returning students will receive a discounted registration fee if paid before May 22.

Pastries with Parents-Parents are welcome to join us starting at 7:45 for some breakfast pastries. Please plan on a little extra time at school on **Thursday, March 14**, to have some pastries, talk with the teachers and other parents, and spend some time with your child in our school setting. Come when you can and stay for a while!

Friday, March 22-As scheduled, there will be no school on Friday, March 22. However, the Kindergarten class will have a field trip that day! All the important information for that will be coming from Mrs. Otto soon!

Summer Program Interest-Attached to this newsletter is some information about our summer program. We are planning to offer some type of program for our families this summer, but we need input from you on how many are interested! If you think your child would be part of our summer program, please fill out the attached form and return it to us by April 1. We will then review the results and registration materials will follow.

Tentative School Calendar for 2019-2020– Also attached to our newsletter this month is a tentative school calendar for next year. It just lists the basic school days and days off for next year. Specific school events will be added at a later date. We just wanted to get you the basic outline as soon as possible. If you have any questions, please let me know!

Sincerely in Christ,

Beth Marquardt
