Pajama Jam - week-  
long, virtual event!**

Water of Life Lutheran School  
5430 S. Grand Canyon Dr  
Las Vegas, NV 89148

**Pizza Day**– Pizza Day is on Friday, February 5.

**Registration for next year is now open to the public**—Let your friends and neighbors know! And if you haven't gotten your enrollment in for next year yet, do so soon!

**Picture Day!**– Picture Day went wonderfully well! There is no obligation to purchase any photos, but about a week after the pictures are taken, an order form with proofs attached will be sent home electronically from the photographer. After that time, photos can be ordered, if you wish. If you have any questions, please do not hesitate to ask.

**Pajama Jam**– Usually at this time of year we host a wonderful evening event called Pajama Jam in which the staff and students come back to school in an evening to have a fun time of reading stories and having a snack before bed. Since we can't do this in person this year, we have decided to turn it into a week long, virtual, Facebook event!! At 7 in the evening on Feb. 28-March 6 one of our staff will read a bedtime story to your child. All you have to do is go to our Facebook site at 7 each evening and click on the day's video. On Thursday & Friday, Feb. 25 & 26, a goodie bag will be sent home with each student at school with a bedtime snack, hot chocolate and other goodies to go with this event. (Please let us know if you need more goodie bags for siblings or friends you want to tell about this event. They are welcome to join us too!) We know this is still not the same as an in person event, but we think it's a pretty awesome substitute! We are excited!

**Fundraiser Update**—Thank you so much for your support of our school through the **SCRIP** program!! Since the beginning of the program, we have earned over \$700 for our school! That is awesome! Please continue to think of Scrip when you do your shopping, give gifts, or make any kind of gift card purchase. Also remember that we participate in the Boxtops for Education program, Amazon Smile, and the Give Back to Schools program through OfficeMax/Office Depot. When we work together we can do great things for our school!

**Shelter in Place drill**– Later in February, as directed by our childcare licensing, we are required to have a 'shelter in place' drill in which we practice what we would do if there was an intruder in the school. The only thing the students are told is "Go to your safe place". They will then be directed into the bathrooms in each classroom until each class has 'checked in'. I just wanted to make you all aware of what will be happening if/when your child comes home with a strange story of going into the bathroom with their classmates and teachers.

Sincerely in Christ,

*Beth Marquardt*
