love is,

Pizza Day– Pizza Day is on Friday, February 4.

Registration for next year is now open to the public—Let your friends and neighbors know! And if you haven't gotten your enrollment in for next year yet, do so soon!

Picture Day!- Picture Day went wonderfully well! There is no obligation to purchase any photos, but proofs should be coming from the photographer via email to you soon. A make up day will be scheduled for those that missed or want retakes of their pictures.

Singing in Church– The children of Water of Life School will have the opportunity to join their voices in song during our 10:30am worship service on February 13. It is always such a special occasion when the children have the opportunity to do this! We hope to see all of our students attend and participate!

Pajama Jam-is a fun, family event for all our families at Water of Life on March 3 from 6:30-7:15 pm. Come dressed in you pajamas and ready for some wonderful bedtimes stories, fun activities, and a bedtime snack! The whole family is invited for this fun reading event. Please join us!

Shelter in Place drill– Later in February, as directed by our childcare licensing, we are required to have a 'shelter in place' drill in which we practice what we would do if there was an intruder in the school. The only thing the students are told is "Go to your safe place". They will then be directed into the bathrooms in each classroom until each class has 'checked in'. I just wanted to make you all aware of what will be happening if/when your child comes home with a strange story of going into the bathroom with their classmates and teachers.

Sincerely in Christ,
