Happy New Year! We hope that all of our families had a wonderful Christmas and wish you God's richest blessings in the new year! Thank you so much for all the gifts and Christmas wishes, we are truly blessed to be working with our wonderful families at Water of Life! We have lots of things happening at Water of Life School in January. Here is a run down of the things that are coming up!

**Pizza Day**– Pizza Day is on Friday, January 10. The children really enjoy this special once-a-month treat. Just a reminder that children that stay all day do not need to bring a lunch.

**Registration for next year opens!**–It's hard to believe, but it is that time to start thinking of next school year already! Our registration for current families begins on Monday, January 13! We encourage you to start making plans now and get your registration in as soon as possible. If the phone calls coming in are any indication, when open enrollment begins on Feb. 1, our classes are going to fill up fast!

**100th Day of School**– Each classroom will have their own celebrations of the 100th day of school on January 28. Watch your child's classroom newsletter for more details. It's always a fun day for the children with lots of fun counting activities!

**Picture Day!**– We will have not one, but two school picture days for the children at Water of Life School. All of the classes will have Picture Day on Wednesday, January 29. Then the 2 day students in Mrs. Marquardt's class (and any children absent on the 29th, if needed) will have Picture Day on Thursday, January 30. Individual and group pictures will be taken. There is no obligation to purchase any photos, but about a week after the pictures are taken, an order form with proofs attached will be sent home. After that time, photos can be ordered, if you wish. If you have any questions, please do not hesitate to ask.

**Parent-Teacher Conferences**– Parent-Teacher conferences for our pre-school and prek classes will be happening the end of this month. Please see each teacher for a sign up sheet of available days and times. We look forward to sitting down with you to review how the school year is going for your child.

Sincerely in Christ,

*Beth Marquardt*
