Las Vegas, NV 89148

Happy New Year! We hope that all of our families had a wonderful Christmas and wish you God's richest blessings in the new year! Thank you so much for all the gifts and Christmas wishes, we are truly blessed to be working with our wonderful families at Water of Life! We have some important things to share with you this month, so please read carefully.

Updated COVID Guidelines– In accordance with some updated guidelines from Child Care Licensing, we have to make a few tweaks to our current policies and procedures. Hopefully, these will all be temporary, and I will keep you updated as often as there are any changes.

- All of our students will need to wear masks to school. We will do our best to keep them on for all activities except snacks, meals, rest time, and outdoors. Please send your child with a mask each day.
- We will again be taking the children's temperatures as they arrive at school each day.
- Kelli and I will be signing children in and out each day.

These updated procedures, along with the enhanced cleaning and protocols that were already in place, will hopefully reduce any outbreaks of COVID at school. We greatly appreciate all you do already to monitor the health of your children and keep them home when they are not feeling well. We know we can all get through this together!!

Pizza Day– Pizza Day is on Friday, January 8. The children really enjoy this special once-a-month treat. Just a reminder that children that stay all day do not need to bring a lunch.

Registration for next year opens!–It's hard to believe, but it is that time to start thinking of next school year already! Our registration for current families begins Monday, January 10! We encourage you to start making plans now and get your registration in as soon as possible. Registration for the general public begins on Feb. 1 and you will want to get your registration in soon!

Picture Day!– We will have not one, but two school picture days for the children at Water of Life School. All of the classes will have Picture Day on Wednesday, January 26. Then the 2 day students in Mrs. Marquardt's and Mrs. Heinitz's class (and any children absent on the 26th, if needed) will have Picture Day on Thursday, January 27. There is no obligation to purchase any photos, but about a week after the pictures are taken, an order form with proofs attached will be sent home electronically. After that time, photos can be ordered, if you wish. If you have any questions, please do not hesitate to ask.

Sincerely in Christ,
