**March 29-April 5 -  
Spring Break - No  
School**

Water of Life Lutheran School  
5430 S. Grand Canyon Dr  
Las Vegas, NV 89148

**Pizza Day**– Pizza Day is on Friday, March 5.

**Enrollment and Registration**– We are so excited that we have had more students joining us in the last couple of weeks! Welcome to Water of Life!

We are also pleased with the enrollments that are coming in for the next school year. Kindergarten for next year is already full and the other classrooms all have a great start! What a wonderful blessing!

**Picture Day**- Please let me know if you have not received your proofs via email from the photographer. She is happy to send them again if you have not received them.

**Pajama Jam**– We hope you are enjoying our virtual event this week. If you haven't watched yet, please go to our Facebook page at 7 each evening this week for another story read by one of our staff.

**Summer Program Interest**-Attached to this newsletter is some information about our summer program. We are planning to offer some type of program for our families this summer, but we need input from you on how many are interested! If you think your child would be part of our summer program, please fill out the attached form and return it to us by April 1. We will then review the results and registration materials will follow. There is no obligation to enroll from this questionnaire, we are just trying to get an idea of how many might enroll. You do NOT have to enroll for the entire summer, you can pick and choose which weeks you would like your child to come.

**School Calendar for 2021-2022**– Also attached to our newsletter this month is the tentative school calendar for next year. It just lists the basic school days and days off for next year. More school events will be added at a later date. We just wanted to get you the basic outline as soon as possible. If you have any questions, please let me know!

**Easter Egg Hunts**– We would like to do Easter Egg Hunts for the children on the last day your child attends before our Easter Break. Please see each teacher's newsletter for specific information on details of this event.

**Playing on the Playground Equipment**– While we love it that the children love to be at school and want to play on the playground, we must ask that you do not allow them to play there when being picked up from school at noon. We make a great effort to make sure the playground equipment is wiped off and sanitized in between classroom usage, and when they play on the equipment at pick up then it has be done all over again. Thank you for understanding and heading right out of the playground area when you pick up your child.

Sincerely in Christ,  
*Beth Marquardt*  
Director
