**Pizza Day**– Pizza Day is on Friday, March 4. The children really enjoy this special once-a-month treat. Just a reminder that children that stay all day do not need to bring a lunch.

**Registration for next year is open!**- We are excited with the registrations that continue to come in for the next school year. There are still spots available if you haven't registered, or would like to recommend us to your friends and neighbors. Remember that returning students will receive a discounted registration fee if paid before May 23.

**Pastries with Parents**-Parents are welcome to join us starting at 7:45 for some breakfast pastries. Please plan on a little extra time at school on **Thursday, March 17**, to have some pastries, talk with the teachers and other parents, and spend some time with your child in our school setting. Chapel will be at 8:15 on the playground. Come when you can and stay for a while!

**Summer Program Interest**-Attached to this newsletter is some information about our summer program. We are planning to offer some type of program for our families this summer, but we need input from you on how many are interested! If you think your child would be part of our summer program, please fill out the attached form and return it to us by April 1. We will then review the results and registration materials will follow. There is no obligation to enroll from this questionnaire, we are just trying to get an idea of how many might enroll. You do NOT have to enroll for the entire summer, you can pick and choose which weeks you would like your child to come.

**School Calendar for 2022-2023**– Also attached to our newsletter this month is the school calendar for next year. It just lists the basic school days and days off for next year. More school events will be added at a later date. We just wanted to get you the basic outline as soon as possible. If you have any questions, please let me know!
