And just like that, here we are at the last few weeks of school! It's going to be a busy and fun filled last month of school. Below are some of the important news-worthy happenings at Water of Life this month.

Pizza Day– Our last Pizza Day is this Friday, May 5. We sure have enjoyed it!

Petting Zoo– We are excited to let you know that a Petting Zoo will be coming to our school on **Friday, May 19!** We hope all children will be able to attend, whether or not they normally come to school on Fridays. The classrooms have to take turns going out to the petting zoo, so please see your child's teacher's newsletter for more details, but plan on joining us for this special event on the 19th!

School T-Shirt Day– all also be on Friday, May 19, the day the petting zoo comes!

Water Days– On Monday (& Tuesday for preschool class), May 22 & 23, the children will spend a little extra time outdoors doing some special water activities (playing in water tables, playing with squirt bottles, water balloons). No swimsuits are needed, but you may wish to send a towel and/or a change of clothes to school with your child to dry off! Please see your classroom newsletter for specific instructions from your child's teacher.

Last Day of School–Our last day of school is Wednesday, May 24. The Preschool and PreK classes will present a program to family and friends at 9:30 am, have some refreshments after, and then be dismissed.

The Kindergarten families are invited to come at 10:30 for some treats, and then we will have a Kindergarten Graduation Recognition at 11 am. We will certainly miss them and wish them God's blessings as they move on from our school.

Summer Program–Please be sure to get your registration paperwork in for our summer program if you are planning on having your child attend. We would like to get an idea of how many we will be planning for, and some weeks are filling up. We don't want you to miss out on any of the fun!

If your child is returning to Water of Life in August please be watching for information coming home during the summer about the next school year. We will be sending the school calendar for next year, school supply lists, and information about our Back to School Night later in the summer.

Many thanks and God's blessings to you all!! Have a wonderful summer!

Sincerely in Christ,

Beth Marquardt

Director
